[Youtube](#)

PROGRAM 28 February

14:00- 14:30

Welcome (UPO Governance)

Introduction by BeEmTel Scientific Coordinator

Prof. Gianluca Aimaretti (DIMET - UPO Director)

Greetings of the Rector UPO prof. Gian Carlo Avanzi

Greetings by Governance UPO:

prof. Francesco Della Corte (SIMNOVA - UPO)

prof. Alberto Dal Molin (DIMET - UPO)

prof. Cristina Meini (DiSSTE - UPO)

Beyond the Emergency: Telecare for Non-Communicable Diseases through Simulation Techniques (2021-2024)

14:30-14:55

BeEmTel Project Presentation

Background, Goals and Project Results

Dr. Emiliano Loria (PM BeEmTel-DIMET UPO)

Italian Associated Partners Presentation

14:55-15:15

SIMNOVA - Novara Simulation Centre Presentation

The role of Simnova in BeEmTel Teaching Activities

Prof. Francesco Della Corte (Simnova UPO Director)

15:15-15:40

University of Thessaly (Greece) - Nursing and Simulation

Prof. Evangelos Fradelos (Nursing Department)

Tasks and roles of University of Thessaly for BeEmTel Partnership

Greek Associated Partners Presentation

15:40-15:50

Coffee Break

15:50-16:20

BeEmTel Working Groups:

Dissemination Group

Dr. Aurora Falcone (Simnova UPO)

Dr. Carmela Rinaldi (Aging Project UPO)

Dr. Emiliano Loria (BeEmTel UPO)

Presentation of Communication Plan

16:20-16:50

Open Questions

16:50-17:00

Conclusions

PROGRAM 1 March

14:00-16:30 CET

14:00-14:10

Welcome (UPO Governance)

Greetings by BeEmTel Scientific Coordinator

Prof. Gianluca Aimaretti (DIMET Director)

14:10-14:25

Telemedicine today: the new frontiers of interventions

Introduction by prof. Marco Invernizzi (Dimet - UPO)

Beyond the Emergency: Telecare for Non-Communicable Diseases through Simulation Techniques (2021-2024)

14:25-14:50

National Centre of Telemedicine - ISS (Italy)

prof. Francesco Gabrielli (ISS - Rome)

Tasks and roles of National Centre of Telemedicine for BeEmTel

14:50-15:15

**Department of Emergency Situations –
Ministry of Internal Affairs (Romania)**

Dr. Bogdan Pop (DSU-Bucarest)

Tasks and roles of DSU for BeEmTel

15:15-15:40

**University Medicine, Pharmacy, Sciences and Technology
“George Emil Parade” (Romania)**

Prof. Cristian Boeriu (UMFST - Târgu Mureş)

Tasks and roles of UMFST for BeEmTel

15:40-15:50

Coffee Break

15:50-16:20

BeEmTel Working Groups:

The Quality Committee Activities

Dr. Michela Barisone (BeEmTel UPO)

16:20-16:40

Open Questions

16:40-16:50

Conclusions

PROGRAM 2 March

14:00 - 16:30 CET

14:00-14:10

Welcome (UPO Governance)

Greetings by BeEmTel Scientific Coordinator

Prof. Gianluca Aimaretti (DIMET Director)

14:10-14:25

New Challenges for Simulation Learning Experiences

Prof. Francesco Della Corte (Simnova UPO Director)

UPO

Beyond the Emergency: Telecare for Non-Communicable Diseases through Simulation Techniques (2021-2024)

14:25-14:50

Human Simulation Center Ludwig-Maximilians University

Prof. Marc Lazarovici (LMU - Munich)

Tasks and roles of LMU in BeEmTel Partnership

German Associated Partners

14:50-15:15

Univerisity of Applied Health Science (Croatia)

prof. Snježana Čukljek (ZDU - Zagreb)

Tasks and roles of ZDU in BeEmTel Partnership

Croatian Associated Partners

15:15-15:25

Coffe Break

15:20-15:40

BeEmTel Working Groups:

Tutoring Group Presentation: Learners Selection and Tutoring

Dr. Emiliano Loria (PM BeEmTel UPO)

15:40-16:00

BeEmTel Project Details:

Budgeting rules and Partnership Agreement Presentation

Transnational Project Meetings

Learning/Teaching/Training Activities (LTTA)

Multiplyier events

16:00-16:20

Open Questions

16:20-16:30

Conclusions
